Comfort, design and good experiences. This is what we want our guests to associate with a visit to the Eilert Smith Hotel. Our boutique hotel in the center of Stavanger has only 12 rooms. All with their unique design and signature. Common to all rooms is high comfort, classic design furniture and beds you can dream far away in.
Eilert Smith Hotel is suitable for those who are on a business trip, and for those who want to celebrate something very special. A stay with us is an experience in itself. Just come and we'll show you around.

RE-NAA - CULINARY EXCELLENCE
On the first floor you will find RE-NAA. The gourmet restaurant is the only one in Norway with two stars in the Michelin Guide 2020.

Sven Erik Renaa is inspired by the landscape around us in Rogaland. The dishes are based on natural and local ingredients, and vary throughout the seasons. Therefore, every visit to RE-NAA will offer a completely unique culinary experience.

If you want to eat at RE-NAA, you must reserve your table in advance.

Eilert's Residence

Eilerts Residence is completely unique – a suite with two floors and a 360-degree view of Stavanger city and sea.

The suite is of a high standard, with carefully selected interiors inspired by Danish design and unique architecture, which cannot be found anywhere else. The suite is large and spacious, and meets all your needs to make you feel at home.

Eilert Residence is the natural choice for a unique stay that you won't experience anywhere else. In the center of Stavanger, it is a short distance to all sights, good restaurants and beautiful nature.
