Rovinj, the pearl of Istria, offers a revitalising experience through discovering the local culture, enjoying local dishes in some of the finest restaurants, and exploring Mediterranean nature. Our hotels will be a perfect hub for that.

Get to know Rovinj

A fairytale town on the west coast of Istria, where cobbled streets with picturesque galleries, shops, and restaurants will lead you to the recognisable bell tower of the church of St Euphemia perched on top of a hill in the middle of the peninsula. Rovinj is surrounded by 22 islands and islets. You enter the town in one of the most exclusive marinas on the Adriatic.

The people of Rovinj make their living mostly out of tourism, fishing, agriculture, winemaking and viticulture.

Boasting a rich natural and cultural heritage with beautiful landmarks such as the old town, the Golden Cape Park Forest, protected islands and coastal area, Rovinj has many loyal visitors from all parts of the globe and has developed into a popular tourist destination.

A pleasant climate and a wide array of sports facilities make Rovinj an ideal host venue for competitions, tournaments, sports schools and training camps for professional athletes all year round.

General Information

The average yearly temperature in Rovinj is °C, with mm of rainfall. The climate is warm and semi-dry, with more than four months a year without wind. Such a mild microclimate is characteristic only to Mali Lošinj and the Brijuni archipelago. There are 134 sunny days in a year, which makes Rovinj the third sunniest spot in the Adriatic.
